Principal's Reports

Education Week.

We have had lots of great activities happening throughout the week. Thank you to Rob Hogan and all the staff at 208 for their continued effort in making learning fun.

Walking through the school and in classrooms over the past week I have seen some amazing activities and great teaching. It is great to see that all students are fully engaged in their learning and challenging themselves to ‘have a go’ at all their endeavours. I really enjoy observing and assisting the students in their learning as well as observing the teachers inspiring the students in all the activities presented. We are so lucky to have such a great school full of amazing people.

Prep Enrolments 2018

Enrolments for Prep 2018 are beginning to gain momentum. We have had several tours throughout the school in the past couple of weeks. It is always interesting showing prospective families throughout the school and showcasing our classrooms and facilities. It is often an exciting but daunting time for parents and students embarking on a decision about where to place their child in 2018. One parent commented that they felt that they had just commenced Kindergarten, yet already they were making plans for the following year. I must say that most tours have led to many positive comments and questions about the school. A friendly reminder for parents of the school that if you have a child ready to commence prep in 2018 and you have not contacted the office for an enrolment appointment please do so as soon as possible as we will be filling positions very soon.

Canteen Menu

At School Council on Monday evening we discussed and approved the new canteen menu. This has taken some time to complete with considerable consultation. You will find that there are some more healthy additions to the menu.

You will also notice that the new menu has items categorised into green and amber foods within the guidelines of a healthy food canteen recommendations. As with any changes to the menu there is a price increase. Please note that these new prices along with the menu will take effect from Monday 29th May. Please find the new canteen menu attached to the back of the school newsletter for your perusal. I would like to thank Faith and Caroline who worked patiently with us so that we could achieve our revamped menu. Remember that using the school canteen is a parental choice and in most cases a treat for your child.

Reconciliation Week

National Reconciliation Week is an annual celebration and is a time for all Australians to reflect on our shared histories, and on the contributions and achievements of Aboriginal and Torres Strait Islander Peoples.

National Reconciliation Week started as the Week of Prayer for Reconciliation in 1993 and was supported by Australia’s major religious groups. Under the guidance of the Council for Aboriginal Reconciliation (now Reconciliation Australia), it evolved into the week-long celebration that it is today. Every year, it is held between two significant milestones in Australia’s history, May 27 and June 3. May 27 is the anniversary of the 1967 referendum in which more than 90 per cent of Australians voted ‘Yes’ to count Aboriginal and Torres Strait Islander peoples in the census and give the Australian Government the power to make laws for Aboriginal and Torres Strait Islander peoples. The day before National Reconciliation Week, 26 May, is National Sorry Day, which was first held in Sydney in 1998 and is now commemorated nationally to remember and honour the Stolen Generations.
**Principal’s Report continued…..**

June 3 marks the historic 1992 Mabo decision in which the High Court of Australia recognised native title – the recognition that Aboriginal and Torres Strait Islander peoples’ rights over their lands did survive British colonisation.

This year’s theme is ‘Let’s take the next step’ which reminds us that change takes time, persistence and courage.

Next Monday our Koorie students and a friend, myself and Mr Scott Trewhella will join in a march from Njernda to the Aquatics Reserve. As part of Reconciliation Week. This is a very important aspect in recognition of our aboriginal community and the need for unity and understanding.

For further information about reconciliation week [http://www.reconciliationvic.org.au](http://www.reconciliationvic.org.au)

**Education Week**

“**Healthy Mind, Healthy Body**”

*with Rob Hogan*

**Excellence in Teaching & Learning**

**Hello Everyone,**

This week is Education Week at Echuca Primary School, and we are having a great time celebrating all things about being a student at Echuca Primary School.

Throughout the week, students have been competing in the Sumdog Loddon Mallee Maths competition. We have a number of students in the Top 10 of this competition, and Grade 56 E & F were the Tuesday daily winners.

All students across the school have been completing writing which starts with ‘208 is the best in the State because…’ and we will be announcing the winners at Assembly on Friday, where the students will receive an award and read their work to the whole school.

On Wednesday, we held an all-star Football and Netball clinic for students in Grades 2 to 4. We had some representatives from the Moama, Echuca and Echuca United Football and Netball Clubs come along and take the kids for some drills and skills. The kids had a great time and we got great coverage from the Riverine Herald, so keep an eye out for an article in the paper and on their ‘Game On’ sports show.

Tomorrow is our big Education Week day at Echuca Primary School. It all kicks off at assembly with the winners of the writing and Sumdog competitions announced, followed by a whole school read to, which Mr Hawthorn has been busily organising.

Immediately following Assembly, Miss Chandler and I will meet with parents in the staffroom, for an informal discussion around ways to help their child at home. This is a great opportunity for parents to ask questions and seek support for their children at home.

Between 10-11am, all the Prep to Grade 2 classes will be running a games morning in their classrooms, which will include making and flying a paper aeroplane. This should be great fun!

After recess, all Grade 3 to 6 students will participate in The Amazing Maths Race. This is where teams of students will race around the school solving maths problems in the quickest time possible.

Finally, the day finishes with the first round of Interschool sport for the Grade 5 and 6 students against St. Mary’s.

I hope to see lots of parents getting involved in the fun on Friday.

Have a great Education Week everybody.
Hello Everyone,

Another busy week has come and gone with so many wonderful activities in and around our school. Firstly, I would like to thank the families who supported our ‘Wear Orange’ for Inclusion Day on Friday. The money raised will help support the One and All Team continue their great work. A big thanks to Andrew, Phil and Sharnee for joining us at our Assembly.

This week Dr Suzy McCleary has visited our Grade 3 to 6 students to educate them on the numerous benefits of staying hydrated. This is a continuation of the generous donation of 12 Zazen water filters that have been placed throughout the school. Thank you to Suzy for investing her time and expertise towards the health and learning of our students.

Our Grade 5 & 6 students have all visited twistED Science this week as a part of the science program. It was a great opportunity for our students to catch up with Mrs Clee and extend their knowledge on the topic of ‘light’.

Next week we will be celebrating Reconciliation Week with a range of activities. A number of students will be attending the Reconciliation Walk on Monday the 29th of May. Students will walk from the Njernda Medical Centre to the Aquatic Reserve to participate in culturally significant celebrations. Throughout the week we will also be restoring the ‘Rainbow Serpent’ at our Prep entrance. I invite all of our community to support this event and welcome anyone who would like to assist with the painting.

Finally, congratulations to our students and staff in the Grade 3/4 area who completed their swimming program last week and good luck to our students competing in the first round of interschool sport.

Have a great weekend!
Moama Pie Drive—Pick Up

Pies can be collected between 1.00pm and 4.30pm from the Grade 5 & 6 Neighbourhood. If unable to collect between these times, please contact the office. To assist with the collection of your pies, we have allocated a number to each order (which will be displayed on the doors as you enter) please look up your number and let us know and you will be directed to your pick up area. If you have a Prep student these orders will be sorted by your class - so please let us know which Prep class your student is in.

Thank you to all families for supporting our Parent & Friends fundraiser and to the Moama Bakery for making all the pies and for their continued support!

Thank You!
As much as we LOVE our DECIDUOUS trees at 208 sometimes they can be a hazard! RICH in colour they add WARMTH to our days but the leaves are messy!

THANK YOU to our team of student and parent tradies who set about tidying up the leaves to ensure our playground and walkways are SAFE for all.

Grade 1 Inquiry
Our Grade 1 Inquiry topic this term is ‘Fairy Tales’. We have been investigating many different Fairy Tales, identifying the beginning, problem and resolution. We have also been getting crafty, creating finger puppets and story lines to help us retell and perform familiar Fairy Tales. Here are a couple of pictures of us retelling our favourite Fairy Tales.

<tr>
<th>Student</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>00A Xavier Phillips</strong></td>
<td>Xavier is becoming a confident and independent learner. He works super hard and has a crack at everything.</td>
</tr>
<tr>
<td><strong>00B Joseph Lowry</strong></td>
<td>Joey has been working so hard both at school and home to master reading and writing new words. This hard work is paying off in your writing.</td>
</tr>
<tr>
<td><strong>00C Isla Shelly</strong></td>
<td>Isla has been working super hard! Her reading and writing has improved and she is being a great friend to everyone!</td>
</tr>
<tr>
<td><strong>00D Allira Stevens</strong></td>
<td>Allira is a ray of sunshine in 00D. She is stretching the sounds in words as she writes and presents her work beautifully. How lucky we are!</td>
</tr>
<tr>
<td><strong>01A Callan McLachlan</strong></td>
<td>Callan has been flying along in his writing! He is including lots of descriptive words and always does his best. Great work Callan!</td>
</tr>
<tr>
<td><strong>01B Alby Watson</strong></td>
<td>Alby is always organised and ready to work. He consistently tries his best. We can’t wait to hear the rest of your Fairy Tale. Great work Alby!</td>
</tr>
<tr>
<td><strong>01C Marlon Micalizzi</strong></td>
<td>Wow Marlon, your writing and reading has improved so much during Term 2. You are so determined and focused to do a great job and it shows.</td>
</tr>
<tr>
<td><strong>01D Oscar Jackson</strong></td>
<td>Well done Oscar for showing such resilience with changes this term. You are starting to take responsibility for your own learning. Great job, Oscar!</td>
</tr>
<tr>
<td><strong>02A Ashton Bond</strong></td>
<td>Ashton you are such a shining star in our room. You excel at all areas of your learning and are such a kind friend to everyone.</td>
</tr>
<tr>
<td><strong>02B Des Morgan</strong></td>
<td>During our visit to twistED, Des made very worthwhile contributions to the discussions. He listened well and carefully followed the instructions.</td>
</tr>
<tr>
<td><strong>02C Alice Gillman</strong></td>
<td>Another amazing week from Alice. She is helpful, friendly and always works hard. Thanks for being a wonderful member of 2C Alice.</td>
</tr>
<tr>
<td><strong>02D Will Fisher</strong></td>
<td>For putting a consistent effort into all of his work and showing lots of enthusiasm.</td>
</tr>

<tbody>
<tr>
<td><strong>34A Lilly Mitchell</strong></td>
<td>What an impressive superstar you are Lilly. Your responsible nature was on display this week when you were helping others achieve great things in the classroom.</td>
</tr>
<tr>
<td><strong>34B Max McCarty</strong></td>
<td>What a fantastic term you’re having Max. Your attitude towards learning and swimming has been outstanding. Keep up the great work!</td>
</tr>
<tr>
<td><strong>34C Blake Edwards</strong></td>
<td>You have been trying your best at everything this week Blake. Fantastic effort in Reading, Writing and Maths. You have also been swimming like a superstar!</td>
</tr>
<tr>
<td><strong>34D Hayley Savage</strong></td>
<td>Well done on your superb efforts so far this year Hayley! Your work in Maths on 3D shapes this week showed great independence and determination.</td>
</tr>
<tr>
<td><strong>34E Dray Hill</strong></td>
<td>You have shown a positive approach to your work all week Dray! You’ve had a smile on your face and managed to remain focussed during all set tasks!</td>
</tr>
<tr>
<td><strong>34F Tykie Kakoschke</strong></td>
<td>What a great week you have had in the classroom! You have been trying your best in all subject areas! Your seesaw posts have been great to see!</td>
</tr>
<tr>
<td><strong>34G Shea Power</strong></td>
<td>You have been first to the floor, focussed and engaged at all times, and have produced the quality of work I know you are capable of. Keep up the awesome work!</td>
</tr>
<tr>
<td><strong>34H Alexys Ritchie</strong></td>
<td>Well done on another great week. You have shown a greater commitment to your school work. I really enjoyed your playground design.</td>
</tr>
<tr>
<td><strong>34I Grady Trevena</strong></td>
<td>Grady your confidence and persistence just keeps growing and growing. You are able to bounce back when things get challenging and are always positive.</td>
</tr>
<tr>
<td><strong>34J Will Poulton</strong></td>
<td>You always have a huge smile on your face, even in the classroom during work time. I really appreciate the effort you are putting in towards all of your work.</td>
</tr>
</tbody>
</table>
Junior Arts Star: Mr Thompson
Nicky O’Meara 01C Nicky’s positivity is infectious! He lights up the room when he comes to Arts lessons and puts heaps of effort into his work. Keep it up, Nicky!

Junior Rising Sports Star: Mrs Cameron
Kinsey Graham 02A Oh Kinsey, you can dance, you can jive, having the time of your life. See that girl, watch that scene, digging the Dancing Queen! What a fantastic help you have been in teaching your peers the Heel and Toe Polka.

Senior Rising Sports Star Mr Campbell
Stella Elliott 34E For an outstanding positive attitude and effort in PE this week. Well done Stella!

Senior Science Wizz—Mr Trewhella
Brodi Lee Maple 56D Always focused and enthusiastic when engaging in Science. Thanks Brodi!

Student of the Week Specialist

Connor Hancock 00B
Connor this week you saw a classmate being hurt by another person. You not only showed your caring nature but you also told the person that it wasn’t the right thing to do. Well done on being so responsible.

Nominated by Mrs Locke

Bodhi Teasdale-Dohnt 02C
You wouldn’t meet a nicer bloke than Bodhi. He shows empathy for others and is always respectful and responsible. Thanks Bodhi!

Nominated Miss Kellock

Chloe Power 34D
Chloe is always encouraging and congratulating all of her classmates on their achievements. Well done for constantly displaying fantastic respect to everyone around you!

Nominated by Miss Hubacek

Gypsy Van De Zand 56B
For encouraging your buddy and being supportive.

Nominated by Mr Briggs

Tylor Thomson 56E & Sebastian Ward 56F—Specialist
Tylor and Seb have shown great enthusiasm for helping out in the library and are extending their knowledge of how our library system works. They are quick and responsible helpers. Thank you and well done!

Nominated by Mrs Mulcair
Australian Mathematics Competition

Dear Parents of students in Grades 3-6,

This year we are offering the opportunity for interested students to participate in the Australian Mathematics Competition which will be held on Thursday, 27th of July, 2017. The competition is organised through the Australian Mathematics Trust and students participating will do so at our school under exam conditions.

This year we will be undertaking the test online as opposed to paper tests as in previous years.

There is an entry fee of $6 per student.

Interested students please bring in $6 in an enclosed envelope to the office with your name and Grade clearly written on the front by Friday 23rd June, 2017.

For more information, please see me.

Many thanks,
Dylan Cuttriss
Mathematics Co-ordinator

What a fantastic 2 weeks it has been for the SAT. The school disco was such a fun night with so many students attending, it made the SAT really happy to see lots of students dressing up in fabulous costumes and having lots of fun.

Thank you to all the staff and parent helpers who were there on the night and to the students from the SAT who helped all night!

A huge thank you to everyone for wearing a splash of orange last Friday for inclusion day! It’s so nice to be a part of a great school community here at 208 where we all come together to support such worthy causes. Thank you all so much!

On Friday the 9th of June the SAT are running ‘Pirate Day’ right here at 208! ‘Pirate Day Friday’ is an annual National event created to raise awareness and much needed funds for children’s brain cancer.

So please wear your best pirate costume and bring a gold coin donation on the day. All funds raised will go towards The Adventurers and The Kids’ Cancer Project. What a very special cause and one that we are happy to support here at our school.

Each child will receive an eye patch and a treasure hunt will be run on the day!

AHH Me Hearties!
Thank you again for your support!

Mrs Gregg and Miss Hogan 😊
Campaspe District Cross Country

On Wednesday the 24th, we attended the rescheduled District Cross Country event down at Victoria Park/Scenic Drive to compete against the top long distance runners from all schools in our local area. A small amount of rain of Tuesday night made setting up the track difficult, but we were able to modify the course to avoid some very muddy sections.

As one of the larger schools in the area, we were host school for this event. We would like to thank all of the teachers and parent helpers who came down and offered to be a marshal on the track. We could not run these events successfully without our army of volunteers who are always enthusiastic to lend a helping hand.

As expected, our 208 athletes shone with outstanding performances from all participants. It was very clear that our runners have been training hard over the last two weeks, as we had many students achieve great success by qualifying for the Campaspe District Cross Country Team. To make this team, students had to place in the top 12 runners in their age group. This top 12 will represent the Campaspe District at the Regional Cross Country Finals held in St Arnaud on Tuesday June 6th.
