For young people just starting out in their experience of life, what they say to themselves can have a huge impact on their pathway towards adulthood. How a young person behaves socially, emotionally and academically can be enormously impacted by the messages they tell themselves. A young person’s self-talk can be motivating, enabling and positive but it also can be demoralising, limiting and negative.

The difficulty is that self-talk is unseen. Unless the messages young people tell themselves are expressed and challenged, the impact of self-talk may go unnoticed or be misunderstood. Challenging negative and unhelpful aspects of self-talk can help young people to reframe their thinking and approach situations in a more helpful way. It can help them to interact more confidently with others and enable them to achieve better outcomes at school.

Lynne Flynn
Principal's Reports

Busy Busy Busy
There is so much happening in and around the school at the moment that it is hard to keep up with everything. Lots of sporting events, local excursions and many amazing things happening throughout the school.

Don’t forget that next Friday 26th August is the Book Parade. Students are asked to dress up as their favourite book character. This does not need to be an expensive exercise, but rather bring out your creativity and get your inner imagination running. We are looking forward to seeing a large variety of interesting book characters on the day.

Happy Birthday Mrs Bedford
Congratulations to Mrs Bedford for her coming of age. I know that she has had lots of celebrations and has enjoyed the many birthday wishes that have come her way. "Happy Birthday Mrs Bedford".

The Power of Self-Talk
I read an interesting article the other day and thought that I would share 😊 The power of self-talk can be powerful in determining who we are in the world and the knowledge of this when interacting with young children will assist them in their development.

Every day we interpret what is happening around us, to us and within us. Our inner voice plays a huge part in how we understand our experiences and this inner voice is often described as ‘self-talk’. Our self-talk is often guided by our assumptions and beliefs and can enable us to overcome enormous obstacles. It can also hold us back and limit what we think we are capable of. What we say to ourselves about people, situations, achievements, disappointments and ultimately about ourselves determine how we see the world and what we think of our ability to interact with it.
Hello Everyone,

Welcome to the end of another action packed week at Echuca Primary School. As a teacher and a parent I am always looking for ways to support children in navigating through childhood. Raising boys can often be a challenge and at times parents will contact me looking for support and ideas. I would like to direct families to an upcoming opportunity to develop our skills in understanding and raising boys. Please take a look at the following flyer and attached link as I am sure this will be of benefit for many of us.

Parenting Boys

The must-do course for parents of boys

Course Starts: Friday 25th August | Cost: $67

Boys are awesome.
They’re also exhausting, challenging and can be difficult to manage at times.

The key to raising a happy, confident and balanced boy is to understand what makes him tick. Our Parenting Boys online course delves into the minds of boys: exploring emotions, behaviour, organisation, learning, communication and sexuality. From pre-school through to teens, this course empowers parents to be one step ahead with practical tools and strategies to assist in raising happy sons to become fine young men.

This course is brought to you by best-selling author and parenting expert, Michael Grose, and includes interviews with key experts such as Vanessa Hamilton, Dr Jodi Richardson, Sharon Witt, Martine O'Gelthorpe and Kate Johnson. The 3-week course features videos, downloadable mp3 audio, worksheets, a weekly live Q&A with the experts, and closed Facebook support group.

Once you have signed up, you can either join in live, or undertake the course at your leisure and access materials at any time - it’s yours forever!

For Parenting Boys link please press here

If you receive the Newsletter in a hardcopy please see the office for more information.

Have a great weekend and good luck to all of the teams playing in the interschool finals tomorrow!

Parents & Friends

Throughout the year the Parents and Friends Committee organize fundraising events to assist the school financially, raising valuable funds for much needed school equipment and projects.

This coming September the committee are supporting these efforts with a BBQ fundraiser at Big W and are asking for parent helpers on the day.

When: Saturday 2nd September
Where: Big W
Time: 9am to 2pm

If you have an hour or two to spare we would greatly appreciate your help. Parent volunteering is crucial to the success of this event and children love seeing parents involved in their school too.

If you can help please fill in your time on the link provided below. If you need assistance please see the office.

Login - www.schoolinterviews.com.au

Administration

Student Charges

Just a reminder to the families who have chosen to pay Student Charges per term instalments the 4th instalment is due tomorrow.

School Camps

Grade 5/6 Camp Melbourne Camp
   Grade 56D,E,F  16th - 18th October
   Grade 56A,B,C  18th - 20th October

Grade 3/4 Cave Hill Creek
   16th - 18th October

   Full Payment for all camps are due on Friday 8th September

Unless you have arranged a payment plan all Student Charges must be paid in full for students to attend camp. If you have any queries regarding student charges please do not hesitate to contact the office.

Medical Conditions

If your child/ren has a medical condition that requires an Action Plan, please ensure that plans are up to date. All plans must be signed by a doctor & a copy is kept at the office. Children with medical conditions must have up to date Action plans to attend camp.
Student of the Week
Junior School

00A Logan Edwards What a ripping addition this bloke has been to 00A. He is such a good friend and always works hard to do his best.

00B Owen Lees During Inquiry this week Owen wrote some amazing clues for a Who am I? activity. Keep up the great work Owen!

00C Emma Robinson Way to go Emma! You are trying hard to improve your reading and writing by listening to feedback and having a go at new strategies!!

00D Mason Bloomfield Mason is doing a terrific job of practising his learning at home. His weekend recount writing was tremendous! Hard work pays off, Mason.

01A Jesse Newlyn Jesse you have such a great ‘have a go’ attitude. I am super proud of your improvements in reading. What a great start to Term 3!

01B Callin McCartney Callin continues to blow me away with the progress she is making with her reading. Lovely pace, smooth as honey and a nice expression!

01C Aden Shebani Aden has had a great week. He’s been focused during class discussions and really engaged in our learning about reptiles. Well done Aden.

01D Lily Thornbury How amazing 175 nights of reading achieved so far! A kind considerate 1D student who keeps trying her best.

02A Rory Ferguson Paten Rory has had such a great week, beginning each day with a positive attitude. We love seeing your smiling face each day Rory!

02B Jake Coghlan Jake is loving maths. He is understanding arrays and repeated addition like a super star. Great to see Jake putting in 100%.

02C Kobe Atkinson Kobe has worked extra hard this week at school and at home to improve his learning ...he’s a superstar at counting by 4s.

02D Tristan Mancini WOW Tristan! You have really stepped up this term. You are making great choices both in the classroom and outside. You help out in the classroom and respect your peers.

Student of the Week
Senior School

34A Kaitlin Simons Kaitlin, what a ripper week you’ve had. You have remained focussed with all tasks and have kept a positive attitude throughout all of your schooling.

34B Isaac Blackstone What a superstar student you are Isaac. I am proud of the way you conducted yourself and used your leadership skills while I was away.

34C Taonga Kuti Taonga, what a friendly, cooperative role model you are for our class! You listen during class discussions and settle into your work quickly and quietly.

34D Chelsea Gillie Your positive attitude this week has been fantastic to see. You should be especially proud of your efforts in calculating perimeter. Well done Chels!

34E Cody Verhey Cody has been a spelling superstar this week - investigating the meaning of some very challenging words.

34F Samuel Cartwright It has been awesome to see some fantastic published work on your iPad and a big smile on your face when you arrive at school.

56A Teagan A’Beckett Teagan has enjoyed taking on leadership roles and she has done this enthusiastically and responsibly. Thank you and keep up the great work!

56B Thomas Young Each week you have a great attitude towards learning, you’re inclusive and you find ways to help out in the classroom. Well done Tom!

56C Sandy Campbell You have been quietly and patiently working on your natural disaster report and have created a piece of work that would feel at home on any library shelf!

56D Maddison Locke You have made an awesome start to your new school. Well done on your hard work so far. Keep up the great work!

56E Joshua Wright Josh what a coding ‘expert’ you have become this week. Stepping up and becoming a leader in our classroom. Mrs Griffiths is extremely grateful!

56F Isabelle Molluso Researched and presented reasons why a new pet would be good for your family. Found out the cost, equipment needed and where to get it from. Be careful what you wish for!
Junior Arts Star: Miss Hodgens
Coco North 02A Coco you light up the art room with your sunny attitude! You always join in with our class discussions and work hard to create amazing masterpieces. A wonderful helper in the art room!

Junior Rising Sports Star: Mr Campbell
Imogen Carfoot 02A Imogen always has a red hot crack at PE, her enthusiastic and positive attitude is an absolute credit to her. Keep it up Imogen!

Indonesian Star: Bu Dixon
Charlie Groves 00A Charlie is a positive member of our Indonesian classroom. He always approaches new learning opportunities with enthusiasm and confidence.

Senior Rising Sports Star: Mr Campbell
Macey Hall 56A Most kids would slow down a bit with a broken arm, but not our Macey Hall. With her new plaster appendage, she tries even harder at PE, giving the boys a run for their money down the hurdles track. Well done Macey.

Senior Science Wizz: Mr Trewhella
Rory Jardine 34E Professor Rory Jardine - Rory wowed Mr Thorn with his knowledge of the Earth and its crust. Great job Rory you rock!

Student of the Week Specialist

School Values Award
Respectful—Responsible—Resilient

Isla Shelly 00C
Isla has shown a great improvement in her resilience and is more willing to have a go at new challenges.
Nominated by Mrs Bourke

Diesel Bourke 01D
Diesel has been showing a high level of resilience and has been a responsible member of 1D. He always has a Nude Food lunch box!
Nominated Mrs Wright

Tykie Kakoschke 34F & Holly Armstrong 34E
For showing initiative and responsibility during our library session by tidying up the returns bench for Mrs Mulcair.
Nominated by Mrs Coutts & Miss Slattery

Jay Burrell 56E
Well done on responsibly organising and leading the lunch time dance activity each week. Keep up the good moves.
Nominated by Kerrie & Mrs Thomson

Reading Recovery Star Mrs. McCurdy
Chad Kirk 01A, Shia Leech 01B & Nate Burt 01D
A huge congratulations to Chad, Shia and Nate for completing the Reading Recovery Program. Your hard work has rewarded you with pleasing results. You should be very proud of yourselves, as Mrs McCurdy is very proud of you.
Online Safe Gaming Advice for Parents

Does your child use their iPad, Playstation, xBox or WiiU device to play games online? If they do, it is important that you take necessary steps to ensure safe online gaming.

Gaming can be a great way for families to connect and have fun together. As with most other media, games vary in terms of their content with some having high levels of violent or sexual content. It is a good idea for parents to check the age appropriateness of online games to help guide children’s online game use.

Because some online games encourage team work and interaction with others (including adults) online, children and teens are best protected when they keep their personal information to themselves. Discourage children from having personal conversations in online games.

Here are some suggestions if your children play online games, particularly on sites that allow them to interact directly with others:

- supervise their interactions
- establish rules for your children to follow so that they know:
  - what to do if they receive disturbing content or contact from others
  - what information they are allowed to give others
- show an interest in your child’s gaming, without judgement
- encourage your children to talk to you if somebody seems too interested in them. Grooming is a very real risk, as predators use online gaming to find children, so be open about the fact that some adults seek out children to harm them. Read more.

If you would like to read further, visit:

This link will also be added to the school Facebook page.

Thanks,

Mr. Cartwright

Echuca Primary School will ensure high levels of learning for all students.
Last Friday the 4th of August was ‘Jeans for Genes Day’. Thank you so much to all the staff and students who wore their jeans on Friday to support such a worthy cause. We loved seeing the staff sporting their double and triple denim! An even bigger thank you to those people who donated a gold coin on the day, we raised $465. What a fantastic effort!

All funds raised directly support our world-leading researchers in the quest to cure genetic childhood diseases, including cancer. They also want new treatments for epilepsy, autism and infectious diseases. We know the children’s medical research institute would be very thankful for your donations.

The rain has put off our lunchtime activities of late, but they will be up and running once the sun starts to come out! Check the daily tablet each morning to see what is on and remember to look for the SAT members wearing an orange vest.

We are looking forward to the rest of the term and what’s left to come!

Thank you
Mrs Gregg and Ms Hogan
100 DAYS in PREP

We like to party in Prep and boy, didn’t we celebrate our first 100 days last Thursday! We didn’t let the dreary weather dampen our spirits; the day was filled with delicious activities such as biscuit-decorating and a shared lunch, whilst we also crowned ourselves in glory by making our own headdress to celebrate. Students were challenged in building a 100-cup tower and posed for the camera as only Preps do! Celebrations rounded out with our special cupcake ceremony – proudly baked and decorated by our own, Mrs Locke and finally, counting our 100 collections.

Thank you to the Prep mums, dads, grandmas and grandpas who joined us to celebrate. It is a very big occasion and we are sure everyone slept soundly that evening!

For now, the Prep team look forward to the Mini-Olympics next Thursday, followed by our excursion to the Kyabram Fauna Park (Monday, 21st August) and the Book Week Costume Parade (Friday, 25th August).

Ben, Anthea, Amanda, Tiff and Jo.

Echuca Primary School will ensure high levels of learning for all students.
Grade 34 Library Excursion
On Wednesday the 9th of August, the Grade 3/4 students attended a Book Week function at the Campaspe Regional Library. This was a fantastic opportunity for students to explore the library and see what it had to offer. Students had a fantastic time listening to the picture story book ‘Gary’ by Leila Rudge, that has been short listed as a finalist in this year’s Book Week. This text was about a homing pigeon that cannot fly and had to find his way home creating his own adventure. Students then created their own swinging pigeons as an activity provided by Karen, the Echuca Branch Librarian.

Regional Soccer
On a bitterly cold and wet day last week our soccer teams travelled to Swan Hill to compete in the Regional Championships. Both teams started the carnival in great style winning their first games comfortably. In their second games both teams dominated possession but unfortunately were unable to finish off with a goal finishing with nil all draws. As the weather deteriorated the decision was made not to play semi finals. This unfortunately meant that both teams missed the Grand Finals by goal differential. The students should be very proud of their performance; their effort and resilience on a tough day was exceptional.

Scott Trewhella

Regional Football Report
On Tuesday the 9th of August, the boys and girls football teams travelled to Swan Hill for the Regional Football Finals. Both teams had been training hard and were ready for the day.

The girls came out firing and won matches against St. Marys Swan Hill, Spring Gully Bendigo and Scared Heart Mildura to progress straight into the Grand Final against St Killian’s Bendigo. After playing hard for three matches unfortunately the St. Killian’s girls were too strong and 208 went down by four goals. The girls are to be commended on the level of tough football they played all day and the high level of sportsmanship they displayed.

The boys team also played three tough matches. Winning two, to St. Ambrose Woodend and Sacred Heart Mildura. The boys lost their third match to St. Francis of the Fields Bendigo. The boys progressed through to the Semi- Finals and played against St Mary’s Echuca. 208 won by two points! A real test to the many supporters watching.

The grand final for the day was played on a full field against St. Francis of the Fields Bendigo. 208 had a convincing win with many players giving it their all. The boys now progress to the State Final (date to be advised). Mr Leersen and Mrs Watson would like to thank the many parents who came and supported the children on the day and thanks to both teams, who should be very proud of the way they represented our school.

Kate Watson

Echuca Primary School will ensure high levels of learning for all students.
Interschool Sport Grand Finals – Friday 11th August
Good luck to all of our Grand Final participants who are competing this Friday. For any parents who are interested in heading down and watching, all football, softball and handball matches will be played on the Echuca South Recreation Reserve (Echuca United’s oval), and the netball games at the EDNA courts.

All matches will commence at 1.15pm sharp, allowing time for quick presentations at the end of the day.

House Athletics Carnival – Wednesday 16th August
Just next week we are hosting our annual House Athletics Carnival here on our school oval. On the day, everyone will complete a rotation between all eight individual events, and in the afternoon we will hold our house relays.

Please see the event timetable below. As this is such a huge day, we would love as many parent helpers as possible who would be willing and able to pop down on the day and help. If you are available to assist, could you please let your child’s teacher know.

Mini Olympics – Thursday 17th August
Following our House Athletics Carnival, the Prep – 2 students will be doing a ‘Mini Olympics’ Carnival on the following day. This is an extremely fun event with maximum participation encouraged. It will be held on our school oval, and we would love as many parents, family members and friends to get down to our oval on this day and cheer our little athletes on!

Zach Campbell

Echuca PS House Athletics Sports – Wednesday 16th August 2017

Grade 2 News
Grade 2s gallantly gobble grapes while galloping on grizzly gorillas. Golly gosh! The Grade 2s have recently learnt about poetry. Alliteration was one of the poetry types focussed on during our unit. The students were very successful at creating their own alliterations using the first sound of their name.

Earn & Learn—Started 26th July
Anyone from the community - staff, parents, grandparents, neighbours and friends - who shop at Woolworths can collect stickers for our school.

If your community sticks together and earns Earn & Learn stickers at Woolworths, you can earn your choice of educational equipment & resources.

This year we are proud to be partnering once again with Modern Teaching Aids, Australia’s biggest supplier of educational equipment. This means our school can choose resources based on their unique needs across every category possible including: S.T.E.M, Science, Mathematics, English, Sport and Arts and Craft.

It’s easy, below is how it works:

Or simply, drop your stickers into the Earn & Learn Box at the office. Extra Sticker sheets are also available from the office.
This year's SCIENCE WEEK theme is FUTURE EARTH - which also means it’s creativity time!

The task?

Students are encouraged to be creative and DESIGN & CONSTRUCT an aspect of life in the future.

Children can choose their medium whether it be LEGO, Minecraft, painting, movie, recycled sculptures ...the list is endless!

The idea is to engage families and have fun building at home leading to a showcase as part of Science Week celebrations.

Some areas may include transport, technology, robotics, clothing, buildings, cities or medicine.

Professor Trewhella is more than happy to answer any questions from 208’s budding Construction Engineers.

To infinity and beyond!

Echuca Primary School will ensure high levels of learning for all students.
