We started the week with a very unusual turn of events. After recess we were faced with no power. We had a visit from the police to inform us that a tree had fallen near the oval and had taken out some power lines and a couple of cars. Students were unable to play on the oval at lunchtime as a safety measure due to live wires on the ground.

The local kindergarten was evacuated to the gym where they stayed until the parents of the children were contacted and arrived to pick them up.

Although the day was quite hot, teachers and students coped quite well. It was interesting to note that the students did not quite know what to do without their iPads.

We do feel sorry for the people who had their cars damaged, but fortunately there was no-one injured in the accident.

**Thank you to staff**

What an incredible Term we have had. So action packed with activities and lots of learning by our students. It has been terrific to see the Preps in particular settling in quite well and doing a terrific job at their learning. We have had such a busy term. At times I think I have been here for 20 weeks instead of just 9. The staff have been working particularly hard and as such I would like to thank them formally for all the hard work that they do to ensure that the students are on track. Many staff volunteer much of their own time at lunchtimes to ensure that there are extra activities to keep our students engaged and have safe play. Many of these extras often go unnoticed, or parents are not aware that these things happen throughout the day. But it is these small contributions that add to the value of our student wellbeing. We have a great staff who are focused on bringing the best out in your child. Next time you see your child’s teacher, or integration aid thank them for making a difference in your child’s world. 😊I’m sure they will appreciate it.

Not forgetting the exceptional job that our office staff do in maintaining the office to ensure that the smooth operation and parents queries are met. I wish to thank all staff for the exceptional work that they have done this term.

**Planning**

All staff have been working in their teams to ensure that planning is well underway for next term. They have also attended professional development about moderation, the new Victorian Curriculum, Leadership and First Aid. All staff have also commenced the Performance and Development Cycle where they create SMART goals directly linked with the School Strategic Plan and the Annual Implementation Plan to improve student learning outcomes. Within this process they must create strategies and present evidence at the end of the cycle to show that they have achieved their goal.

For me the Performance and Development cycle is about accountability and allows all staff to focus on the framework for improving student learning outcomes. My own Performance and Development is also aligned to these goals and is measured by the region.
Safety at the crossing

It seems not that long ago that I put out a plea to parents to ensure that the safety of their children was of paramount importance. On Tuesday afternoon I had bus duty and witnessed quite a few parents crossing on the median strip and not using the crossing. Some of those that did use the crossing crossed in front of the crossing lights creating a third lane and even went between the cars. This sends a very poor message to our students and I would like you to consider that your actions are modelled and as such copied. I was quite alarmed that many students followed suit at the lights and did not stay within the boundaries of the lines. This is an accident waiting to happen. Please remember that it only takes a few seconds to do the right thing. If we all modelled the correct behaviour then students would make better choices.

Purple day

Last Friday we had an exceptional display of purple splashed in the trees across student’s faces and in lots of hair. This all went towards a very worth while cause in supporting Epilepsy. Thank you to the great work that the SAT and to all the students, staff and parents for organising the day.

Anzac Day

On the 24th April we will have our annual Anzac Service in the Amphitheatre. It would be great if we could have lots of parents and community members along to support this special event.

Junior Slide

At long last we have been able to find a company that is able to supply a slide to replace the broken one in the Junior Playground. There has been lots of research and many phone calls to different companies in the hope of finding a replacement. Unfortunately the new slide will not be installed until the 8th May. Hopefully this will be well worth waiting for.

Last Day

The Easter Egg raffle will be drawn at Assembly tomorrow, followed by the Prep Easter Hat Parade. I know the Preps have been working really hard on their fabulous creations. Don’t forget to stay and see this delightful event.

Normal School uniform will be required for wear at school tomorrow.

Early Dismissal: Don’t forget that students will be dismissed at 2.20pm.

I wish everyone a safe and happy holiday. School will resume on Tuesday 18th April.

Lynne Flynn
Principal

Echuca Primary School will ensure high levels of learning for all students.
Regional Swimming Swan Hill

Last Thursday a team of 12 students from 208 attended the Loddon Mallee Regional Swimming Carnival in Swan Hill. 208 were extremely competitive with all representatives coming home with a medal. Results were as follows:

- Ruby Morley: 3rd in Freestyle and Backstroke
- Angus Watson: 3rd in Freestyle and Backstroke
- Brandan Batey: 2nd in Breaststroke, 2nd in Butterfly, 2nd Freestyle relay
- Jack Morley: 2nd in Freestyle relay, 2nd in Medley relay
- Max Trewhella: 2nd in Freestyle relay
- Isaac Watson: 2nd in Freestyle relay
- Will Poulton: 2nd in Medley relay
- Maia Roberts: 3rd Freestyle relay
- Andrea Archibald: 4th in Backstroke, 3rd in Freestyle relay
- Shea Power: 3rd Freestyle relay
- Sienna Agg: 3rd Freestyle relay

A big congratulation to Nash Ramage who came first in his freestyle and backstroke and 2nd in his medley relay. He has now qualified for the State Championships in Melbourne on the 26th April at MSAC. We wish him all the best.

Community News

with Scott Trewhella
Community Engagement and Wellbeing

Hello Everyone,

I can hardly believe we are at the end of term and that Easter Bunny is just around the corner. With so many highlights throughout the term I thought today’s newsletter would be the perfect opportunity to recount some of the many experiences and events to have taken place during a very busy term at Echuca Primary.

Swimming Sports – School, Interschool and Regional
Triathlon Victoria Guest Speaker
Open Water Safety
Grade 2 visits to Snap Fitness
Plastic Pollution Solution Presentation
First Aid in Schools
Grade 1/2 Swimming Program
Book Fair
Grade 2 Aboriginal Dance and Cultural Sessions
Grade 3/4 Hockey Clinics
Division Tennis Trials
National Ride to School Day and healthy breakfast
Say no to Bullying Day – Loud Socks Day
Autumn Gala Ball
Grade 5/6 Soccer at Echuca College
Grade 1 excursion to twistEd
Purple Day – Epilepsy Awareness
Toyota Dream Car Art Competition

Wow! What a comprehensive list in such a short space of time. Thank you to the staff and many volunteers who have made these events possible, ensuring that our children are not only getting education in the classroom but also out in our community and beyond.

Have a great Easter everyone and I look forward to seeing you all back, safe and refreshed, next term.
**Student of the Week**

**Junior School**

00A Abbey McCarty
Abbey is pushing herself to her learning limits. She uses great reading strategies and works hard to form her letters correctly. Great stuff Miss Abbey!

00B Taj Barnett
Taj is following instructions fantastically and always puts in his best effort. He sounds out words and uses his finger to follow the words.

00C Quinn Carter
Quinn is imaginative and inquisitive and has made an impressive start to his learning at 208!

00D Benji Carfoot
Benji is forming his letters and writing a number of words with precision. He is very responsible, helping out where he can and following instructions.

01A Holly McGinley-Smith
Holly is such a keen learner, always trying her best in everything she does. She is also always willing to lend a hand and help out where she can!

01B Makayla George
Makayla bounds into the classroom each morning, ready to learn. She gives every task 100% and persists until she is finished.

01C Henry Bell
Henry is an awesome writer! He is so enthusiastic about his recounts and handwriting. Maybe we have a future author in 1C! Great stuff Henry!

01D Milly Morley
What fantastic commitment you have shown by concentrating on your own work. Great recount writing and handwriting. Impressive Miss Milly!

02A Szarlea Ham
You are always striving for excellence Szarlea! I love the way you continue to raise the bar with your reading and writing. Keep it up!

02B Lily Morgan
What a fantastic start to the year. Lily is a responsible student who is always ready and eager for learning. She is respectful and considerate towards others.

02C Dylan Stringer
Dylan is a respectful classmate who always listens to others. He has been working hard on his learning goals. Great job Dylan.

02D Emily Burgess
Emily is responsible with her learning and takes pride in her school work. Emily is always respectful to her classmates and to the teacher!

**Student of the Week**

**Senior School**

34A Lincoln Bohn
You have blown me away with your home reading efforts this week. I have enjoyed the connections, questions and predictions you have included in Seesaw.

34B River Hornsby
River is such a fantastic and respectful classroom member. His effort in reading and writing is outstanding. Keep up the positive attitude River.

34C Abbigayle Martin
A fantastic week Abbi! You have been making positive choices in the classroom as well as out in the yard. Keep it up!

34D Jimmy Taylor
Jimmy comes to school with a smile on his face every day and is always willing to help out. His effort with time telling on an analogue clock has been super.

34E Kohdi Cartledge
It has been fantastic to see you be more focussed in class this week Kohdi. The results of this have shown in your work. Keep up the great attitude!

34F William Street-Coburn
What a wonderful week Will! Your effort has been outstanding. Thanks heaps for contributing on the floor and always willing to give everything your best!

34G Josie Brown
Josie has been working hard on her reading and writing recently. She always listens to the instructions and is very respectful to the teacher and her class mates.

34H Evie Lyons
What a hard worker Evie! You have been working very hard with your reading and writing this week. Keep it up Evie!

34I Alex Trickey
Alex has been working very hard on his reading since the holidays. The results of this have shown in his work. Keep up the great attitude!

34J Morgan Price
Morgan has been working very hard on reading and writing this week. He is always willing to help out in class and is a great classmate! Keep it up Morgan.

34K Viva Morgan
Viva has been working hard on her reading and writing recently. She is very respectful and considerate towards others.

34L Autumn Thomson
Autumn has been working hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Autumn.

34M Jackie Sekulic
Jackie has been working hard on her reading and writing since the holidays. The results of this have shown in her work. Keep up the great attitude!

34N Jordan Trickey
Jordan has been working very hard on his reading since the holidays. The results of this have shown in his work. Keep up the great attitude!

34O Chantelle Eslick
Chantelle has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Chantelle.

34P Jazamine Law
Jazamine has been working very hard on her reading since the holidays. The results of this have shown in her work. Keep up the great attitude!

34Q Ava Wilson
Ava has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Ava.

34R Elizabeth Faghen
Elizabeth has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Elizabeth.

34S Zoe Trapnell
Zoe has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Zoe.

34T Jordan Bohn
Jordan has been working very hard on his reading since the holidays. The results of this have shown in his work. Keep up the great attitude!

34U Elise Morgan
Elise has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Elise.

34V Evie Ramsey
Evie has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Evie.

34W Ruby Rose
Ruby has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Ruby.

34X Leo Trickey
Leo has been working very hard on his reading since the holidays. The results of this have shown in his work. Keep up the great attitude!

34Y Ava Mooney
Ava has been working very hard on her reading and writing recently. She is always willing to help out in class and is a great classmate! Keep it up Ava.

34Z Jordan Brown
Jordan has been working very hard on his reading since the holidays. The results of this have shown in his work. Keep up the great attitude!

56A Jorja Mounsey
What a great attitude you have displayed towards completing home reading responses and tasks at school this week Jorja. Keep it up!

56B Archie Teasdale
Archie you are now a superstar reader of analogue time. You demonstrated great responsibility by practicing each night. Your hard work has paid off.

56C Kayla Francis
This week you took part in an activity that was not in your comfort zone and you just ‘gritted your teeth’ and got on with the job. What a positive class member.

56D Nate Spiers
Well done Nate. You have shown great skills this week in writing and reading and being very responsible while Leanne has been away.

56E Mia Simpson
What an amazing term you have had Mia. The growth you have shown in your work in such a short time has been outstanding. We are so proud of you everyday.

56F Sebastian Ward
You have set the standard for participation in guided reading. Your fluency, expression and asking questions stood out all week. Well done & keep it up!
**Student of the Week Specialist**

**Junior Arts Star: Miss Hodgens**
**Charlie Groves 00A** Charlie is the manners King, always speaking beautifully and looking out for others in the art room. He listens carefully to instructions and puts his best effort into every task. Thanks Charlie!

**Junior Rising Sports Star: Mrs Cameron**
**Judd Jackson 01C** Judd has shown great initiative during PE, taking responsibility for his learning. He has been very determined in trying to achieve different skill levels.

**Senior Science Wizz: Mr Trewhella**
**Coby Morgan 34B** Always enthusiastic and working to the best of her ability. A wonderful presentation on the science of heat.

**Arts Star: Mr Thompson**
**Jazz Hone 34F** Jazz showed just how effective a foam print can be by listening to instructions and following each step carefully. Two very clear and detailed prints. Well done, Jazz.

**Senior Rising Sports Star Mr Campbell**
**Rory O'Kelly 56A** For showing outstanding sportsmanship and humility during PE this week. He was a perfect example of what it’s like to be a ‘good sport’ after a team victory. Well done, Rory.

*Respectful—Responsible—Resilient*
Greetings

Who can believe the end of term is nigh? We are sure our Prep parents are finding it difficult to believe their child’s first term of learning is done. Term 1 has certainly been very busy for us; our focus has been on establishing essential routines and expectations for our students, whilst providing a happy and supportive transition to primary school. Our learning has included many hands-on activities designed to reinforce learning intentions such as letter and sound identification, fine motor skill development and independent learning confidence. We’ve also enlisted the help of our ‘big buddies’ to assist with other activities and provide a much needed helping hand on particular occasions. Milestones have included transitioning into the playground at common break times, listening attentively at assembly, our first Ride 2 School day and of course, the joy of dining on our first lunch order.

The ‘firsts’ will continue as we head into Term 2 with P-2 Cross Country, our Mothers’ Day morning tea and the obligatory Prep school photo! Won’t that be cute! Our Inquiry studies will lead us into important discoveries about staying healthy, and the scientific concept of ‘push and pull’ toys.

Thank you very much to our Prep students and parents for making Term 1 a success; the team looks forward to many good times in Term 2 and beyond.

Happy holidays!

Ben, Anthea, Amanda, Tiff and Jo (and Rosie the dog).

Grade 2 Cultural Excursion and Incursion

Over the past few weeks Grade 2 students have been learning about Aboriginal culture, including the Dreamtime. With the knowledge of our local Koori elders, students have learnt about some artefacts, used Aboriginal symbols to illustrate, listened to Dreamtime stories and learnt some Aboriginal dances. Each class has been busy writing Dreamtime-like stories and painting their own depictions of Australian animals.

On Tuesday 28th March, all Grade 2 students travelled by bus to the Scenic Drive, Echuca. At a location formerly used for corroborees, Uncle Rick demonstrated a ‘smoking ceremony’. Paul Clarke shared his knowledge of the local area used by the Yorta Yorta people. Students were shown some ‘scar trees’ and the location of a sacred burial ground.

Students were fortunate to have another visit from Neva. On Monday this week, Neva demonstrated how to use some Aboriginal symbols to decorate their clap sticks. During this week’s assembly, students will be performing an Aboriginal dance. They will also use their personally decorated clap sticks to set the rhythm.

We sincerely thank Uncle Rick, Neva and Paul for once again sharing their knowledge.

Lori Pearson.
Ethan Mason
Hi my name is Ethan and I joined that SAT because I want to be a great leader. I am looking forward to helping out other students and being involved in lots of activities.

Kayla Francis
I wanted to join the SAT because I want to make the school more interesting and more fun. My interests are reading, dancing and having fun with my friends.

Issac Watson
I joined SAT so that I could set a good example in the school and the community. I love the outback, country music and teaching things to other people.

The Student Action Team has achieved so much already this year. The Friendship Tree in the junior area and the Friendship Rotunda in the senior area are very successful. You can see the friendly SAT members volunteering in the canteen at recess and lunch time every day. Purple day was fantastic and the Easter Raffle and Guess the Eggs in the Jar were also hits!

All proceeds raised from the raffle & Guessing Jar will be our donation to the Good Friday Appeal. At this stage we have raised just over $700. Thanking everyone who have donated.

The SAT has a BUSY Term Ahead!
On Friday the 12th of May 208 will hold its annual Inclusion Day (Orange Day) to raise money for the One and All Inclusion Project. Students are asked to bring a gold coin donation and wear a touch of orange. The SAT will be painting faces at the flag pole before school. The SAT are also running an inclusion competition. Students are invited to come up with a new inclusion activity for the SAT team to run during lunchtimes at our school, promoting inclusion and submit it to the ideas box at the office. A winner from each year level will be named and the inclusion activity will be named after you. The winning ideas will be announced on Inclusion Day at assembly.

The annual 208 disco is also on Friday the 12th of May in the gym. The theme is “In the Jungle” we invite all students to come along for a wonderful night.

Junior disco 5:30- 6:30
Senior disco from 7:00- 8:30

Tickets are $5 and can be purchased from SAT members at the flagpole at recess times from Monday the 2nd of May. Tickets are $6 if purchased on the night. We hope everyone comes along for what is sure to be a spectacular night!

What a great term!!

Mrs Gregg and Ms Hogan
**DigiTech Small Bytes:**
A big thank you to the parents who attended the first Small Bytes session last night. The focus of the session was how, as parents, we can gain some control over the content and apps that your child accesses when using their iPads at home. Parents were shown how to access their restrictions setup on an iPad and how to turn certain games and features off. This is done by:

- Settings App on an iPad
- General
- Restrictions

You will need to set a passcode (remember to write it down, so you don’t forget.) In restrictions, you will be able to turn off certain apps and features such as ‘in app purchases.’ Some parents have been caught out with this in the past and have faced a hefty iTunes bill.

---

**Sumdog Superstar**
Congratulations to Loraine Pontejos for winning the recent Loddon Mallee Sumdog Contest. Loraine correctly answered 952 out of 1000 questions correctly to finish the week long contest on top.

The contest involved a range of schools in the Loddon Mallee Region and the contest had over 950 competitors involved. Well done Loraine on a fantastic achievement.

---

**School Photos—Monday 1st May**
Envelopes will be sent home with each child in the first week of term two.

To allow families to budget for school photos we have attached the packages and prices that will be available to order in term two.
Echuca Primary School will ensure high levels of learning for all students.

Thank you to our school community for your wonderful support of Epilepsy Awareness — Purple Day.
